Dear Holyoke Delegates:

Congratulations on being selected for the 13th Youth Leadership Summit Program! Being chosen is a great compliment as this means your gifts of leadership have been recognized by other students and community leaders.

This event is unlike so many others as it showcases the powerful transformation that can be achieved when young people are truly engaged in youth leadership development. I believe you will be inspired to learn and become representatives that will go on to make changes in your lives, your community, and your world.

As a Member of Congress, I extend my personal best wishes to each of you and the summit a grand success!

Sincerely,
